WHEREAS, in order to provide for the necessary, orderly and proper administration and maintenance of the Common Area and Common Facilities, and for the preservation and enhancement of the Premises, Declarant (i) has formed The Village of GlenLakes Homeowners Association, Inc. as a not-for-profit corporation under the laws of the State of Florida to which the responsibility of administering and maintaining the Common Area and Common Facilities will be delegated and assigned; and (ii) by execution of this Declaration, has caused the Premises to be subjected to the provisions of this Declaration. Article II

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION: BOARD OF DIRECTORS OF THE ASSOCIATION

2.01 **Membership.** Every Owner of a Lot is subject to assessment under Paragraph 4.01 (a), of this Declaration shall become a Class A Member of the Association upon the recording of the instrument of conveyance. If title to a lot is held by more than one person each such person is a Member. An Owner of more than one Lot is entitled to one membership for each Lot owned. Each membership is appurtenant to the Lot upon which it is based and is transferred automatically by conveyance of title to that Lot whether or not mention thereof is made in such conveyance of the title. No person other than an Owner may be a Class A Member of the Association, and a membership in the Association, may not be transferred except by the transfer of title to a Lot; provided, however, the foregoing does not prohibit the assignment of membership and voting rights by an Owner who is a contract seller to such Owner's vendee in possession.

2.02 **Voting.** The Association shall have two classes of voting membership: Class A and Class B. So long as there is Class B membership, Class A members are all Owners except Declarant. The Class B Member shall be the Declarant. Upon termination of Class B membership, as provided below, Class A Members are all Owners, including Declarant so long as such Declarant is an Owner. Subject to the provisions of Section 2.03 of this Article, all Members, Class A or Class B, are entitled to cast one vote for each Lot owned; but, as provided in the Association's Articles, the Class B Member is entitled to elect the Association's directors ("Directors") until termination of Class B membership or until such right is voluntarily terminated by Declarant. (As Amended Fourth Amendment November 8th, 1991)

2.03 Co-Ownership. If more than one person owns an interest in any Lot, all such persons are Class A Members; but there may be only one vote cast with respect to such Lot. Such vote may be exercised as the co-owners determine among themselves; but no split vote is permitted. Prior to any meeting at which a vote is to be taken, each co-owner must file with the secretary of the Association the name of the voting co-owner entitled to vote at such meeting, unless such co-owners have filed a general voting authority with the Secretary applicable to all votes until rescinded. Notwithstanding the foregoing if title to any Lot is held by a married couple, either spouse is entitled to cast the vote for such Lot unless and until the Association is notified otherwise in writing.

2.04 Class B Termination. The Class B membership will terminate and convert automatically to Class A membership upon the happening of either of the following, whichever occurs first:

(a) The Declarant conveys, other than to a successor Declarant, all of its right, title and interest in and to all the Lots in the Premises. For purposes of this provision, a Lot shall be conveyed when the deed is duly recorded.

(b) The Developer records a disclaimer of its Class B membership.

Upon termination of Class B membership, all provisions of the Declarations, Articles, or By-Laws referring to Class B membership will be obsolete and without further force or effect, including any provision requiring voting by classes of membership.

2.05 Amplification. The provisions of the Declaration are amplified by the Association's Articles of Incorporation and By-Laws; but no such amplification will alter or amend substantially any of the rights or obligations of the Owners set forth in this Declaration. Declarant intends the provisions of this Declaration on the one hand, and the Articles of Incorporation and By-Laws, on the other, to be interpreted, construed, applied, and enforced to avoid inconsistencies or conflicting results. If such conflict necessarily results, however, Declarant intends that the provision of this Declaration control anything in the Articles of Incorporation or By-Laws to the contrary.

2.06 Board.

(a) The Association shall be governed by its Board comprised of no fewer than three (3) nor more than five (5) persons (hereinafter "Directors") duly appointed or elected as provided herein and in the articles of Incorporation and By-Laws.

(b) Directors elected by the Members shall be Members of the Association or spouses of Members. Directors appointed by Declarant need not be Members or spouses of Members. The Board shall direct and administer the Common Area in accordance with the terms and provisions of this Declaration, including any Declarations of Inclusion hereto from time to time recorded pursuant to Article V hereof, as well as in accordance with the Articles of Incorporation and By-Laws.

2.06 Board (cont.)

(c) Until the date of the election meeting of Members described in Paragraph 2.08 hereof, the directors shall be (3) in number, and shall consist of those directors named in the Articles of Incorporation and their successors designated from time to time by the declarant.

2.07 Appointment of Directors by Declarant. Until the occurrence of either of the events set forth in Paragraph 2.04 above, Declarant shall be entitled to appoint the members of the Board. Directors appointed by Declarant need not be members or spouses of members. Any Directors appointed by Declarant may be removed by Declarant, with or without cause, and any vacancies occurring on the Board shall be filled by Declarant.

Prior to either of the events set forth in Paragraph 2.04, Declarant may, from time to time, by written notice to the Association, voluntarily terminate its right to appoint one or more Directors, and continue to exercise its right to appoint the remaining Directors for the period hereinabove specified. Election by Declarant to terminate its right to appoint any number of Directors or to terminate its control of the association shall not affect the right of the Declarant to participate in the Association as a Member thereof.

2.08 Election of Directors by Members. Upon receipt by the association of a copy of any instrument recorded by Declarant pursuant to Paragraph 2.04(b) hereinabove or of other appropriate evidence of the termination of Declarant's right to select any one or more of the Directors, a meeting of the Members shall be convened for the purpose of electing a new Board or to elect those Directors who are no longer to be appointed by Declarant. Upon termination of Declarant's right to appoint any or all of the Directors, pursuant to Paragraph 2.07 hereof, those Directors not subject to appointment by Declarant shall be elected by vote of the Class A members in accordance with the provision of this Article. Notwithstanding such election, any Director theretofore appointed by Declarant who does not elect to resign may stay in office for the balance of his unexpired term and until his successor is elected and qualified.

2.09 Board Liability. None among Declarant, its partners, employees, shareholders, officers, directors and agents, or the Board, its Directors, officers of the Association, nor the agents or employees of any of them (all of the above hereinafter referred to as the "Protected Parties"), shall be liable to the Owners or any other person for any mistake of judgement or for any acts of omissions of any nature whatsoever in their respective positions which shall occur subsequent to the date of the recording of this Declaration, except for such acts or omissions found by a court of competent jurisdiction to constitute willful misfeasance, gross negligence or fraud. Each Owner hereby agrees that the Association shall, and the Association hereby agrees to, indemnify, hold harmless, protect and defend any and all of the Protected Parties from and against each claim, suit, loss, damage, cost and expense, including, without limitation, attorneys' fees and amounts paid in reasonable settlement or compromise of any such claim, etc. incurred in connection with any act or omission for which such Protected Party is exculpated from liability as provided in the first sentence of this Paragraph 2.09. The Board shall assess each Owner for his share of the cost of the aforesaid indemnification, and such assessment shall be collectible and enforceable in the mode and manner as set forth in Article IV hereof. (As Amended Fourth Amendment November 8th, 1991)

2.09 Board Liability. (cont.)

To the extent possible, the obligation of the Association and the Owners for indemnification and the Board's liability hereinunder shall be insured by means of appropriate contractual endorsements to the comprehensive general liability insurance policies held from time to time by the Association.

2.10 Nonprofit Purposes of Association. Nothing herein shall be construed to give the association authority to conduct an active business for profit on its behalf or on behalf of the Members or on behalf of Declarant.

2.11 Governing Law. Except as otherwise provided in this Declaration, the Association, its Board, officers and Members shall be governed by Chapter 617, Florida Statutes.

ARTICLE III

3.04 Delegation of use. Any class A member may delegate, in accordance with and subject to the provisions of the By-Laws or Uniform rules adopted by the Association, his right to enjoyment of the Common Area and Common Facilities to persons in his family, his tenants, or contract purchasers who reside at his Dwelling Unit. The Class B Member shall have the right to delegate its right to enjoyment and use of the Common Facilities and Common Area to its guests and invitees, including but not limited to potential purchasers of the Premises.

3.05 Encroachments. In the event that, by reason of the construction, reconstruction, repair, movement, settlement or shifting of any structures (including driveways) located on Premises, any such structure encroaches or shall hereafter encroach upon any portion of the Premises which is not owned by the owner of the encroachment, the following valid easements are hereby created; for the maintenance, repair, and reconstruction of any party walls or walls, as provided in Paragraph 3.07; for overhanging roofs, eaves, and trees, if any installed by the Declarant, and for replacements thereof; for gutters attached to the improvements, whether installed by the Declarant or by an Owner; and for the unwillful placement, setting or shifting of any improvements constructed, reconstructed or altered thereon.

3.05 Encroachments. (cont.) The extent of easements for party walls, eaves, overhangs, trees and gutters is that reasonably necessary to effectuate their respective purposes; easements for encroachments extend to a distance of not more than three (3) feet, as measured from any point in common boundary along a line perpendicular to such boundary at such point. No easement for overhangs or encroachments exist if caused by the willful or intentional misconduct of the owner of such encroachment.

3.06 Utility easements. An irrevocable nonexclusive easement is hereby granted to all public or private utility companies serving the Premises, to go upon the Premises (including the Common area and the Common Facilities) at any time and from time to time for the purpose of installation, maintenance and repair of all utility facilities under the control of said utility company or which said utility company shall deem to require installation, maintenance or repair for the purpose of providing utility service to the Premises. For purposes of this Paragraph, "utility companies" shall be deemed to include, without limitation, companies providing, servicing or maintaining the facilities defined as "Utilities" in Paragraph 7.05 hereof. In addition to the above, an irrevocable nonexclusive easement is hereby reserved to the Declarant or its assignee, to go upon the Premises (including the Common Area and the Common Facilities) at any time and from time to time for the purposes of installation, maintenance and repair of a two-way communication and security system.

3.07 Party Wall Easements. (a) No Owner or any successor in interest to any such Owner shall have the right to extend said party wall in any manner, either in length, height or thickness.

(b) In the event of damage to or destruction by fire or other casualty of any party wall, including the foundation thereof, the Owner of any Lot upon which such wall shall rest, be served or benefited by shall pay his aliquot portion of the cost of such repair or rebuilding. All such repair or rebuilding shall be done within a reasonable time, in such workmanlike manner with materials comparable to those used in the original wall and shall conform in all respects to the laws or ordinances regulating the construction of buildings in force at the time of such repair or reconstruction. Whenever any such wall or any portion thereof shall be rebuilt, it shall be erected in the same location and on the same line and be of the same size as the original wall.

(c) The foregoing provision of this Article notwithstanding, the owner of any Lot, or other interested party, shall retain the right to receive a larger contribution from another or others under any rule or law regarding liability for neglect or willful acts or omissions.

ARTICLE IV

COVENANTS FOR MAINTENANCE ASSESSMENTS

4.01 Assessments Established. Except as provided in Section 4.05 below, each Owner of any Lot by acceptance of a deed to such Lot, whether or not it is so expressed in such deed, is deemed to covenant to pay the Association:

(a) A general Assessment as defined in Section 4.02 of this Article; and

(b) Special Assessments, as defined in Section 4.06 of this Article; and (As amended, First Amendment March 8, 1990)

(c) Specific Assessments against any particular Lot that are established pursuant to any provision of the Declaration as provided in Section 4.07 of this Article and

(d) All taxes, if any, that from time to time may be imposed upon all or any portion of the assessments established by this Article.

(e) User charges assessed against particular Neighborhoods that are established pursuant to Section 4.08 of this Article.

All of the foregoing, together with interest and all costs and expenses of collection, including reasonable attorneys' fees, are a continuing charge on the land secured by a continuing lien upon the Lot against which each assessment is made as provided in Section 4.10 of this Article. Each such assessment, together with interest and all costs and expenses of collection, including reasonable attorneys' fees, also is the personal obligation of the person or persons who was or were the Owners'(s) of such Lot when such assessment fell due.

4.02 Purpose of Assessments; General Assessment. The assessment levied by the Association must be used exclusively to promote the common good and welfare of the residents, to operate and manage the Association and the Common area and Common facilities, if any, and to perform such duties as may be required by this Declaration, the articles of Incorporation and By-Laws of the Association. To effectuate the following, the Association may levy an annual general assessment ("General Assessment") to provide and be used for the operation, management and all other general activities and expenses of the Association.

4.03 Initial General Assessment. The initial General assessment shall be \$5.00 per month and will remain in effect until a different General Assessment may be determined as provided in Section 4.04.

4.04 Determination of General Assessment. Except with regard to the initial General Assessment, the amount of the General Assessment shall be fixed by the Board at least thirty (30) days in advance of each General Assessment period, and shall be based upon an adopted budget. The General Assessment period shall coincide with the Association's fiscal year. Except for the initial General Assessment, written notice of the amount of the General Assessment should be given to every Owner; but the failure to give or receive such notice, or both shall not invalidate any otherwise valid assessment. The General Assessment must be payable in equal monthly installments without interest until delinquent, and prepayable in whole at any time or times during the applicable assessment period without penalty or other consideration. at the discretion of the Board, the General Assessment may be collected on a quarterly, semi-annual or annual basis rather than collected each month.

4.05 Declarant's and Builder's Assessment. Declarant and Builders shall pay to the Association the General Assessment with respect to only those Lots owned by Declarant or any such Builder and for which sodding of the lawn area has been completed. Such General assessment shall commence with respect to each such Lot on the first day of the second month following completion of the lawn area sodding and shall terminate with the end of the month during which closing is held on the sale of said Lot.

4.06 Special Assessments. In addition to the general Assessment, the Association, through the Board, may levy in any fiscal year a special assessment ("Special Assessment") applicable to that year only for the purpose of defraying, in whole or in part, known expenses which exceeded, or when mature will exceed, the budget prepared and on which the General Assessment was based.

4.07 Specific Assessments. Any and all accrued, liquidated indebtedness of any Owner to the Association arising under any provision of this Declaration also may be assessed by the Association against such Owner's Lot after such Owner fails to pay it when due and such default continues for 30 days after written notice.

4.08 Uniformity of Assessments. The general Assessment and any Special Assessment must be uniform for each Lot throughout the Premises; provided, however, the Association, through its Board may establish, and each affected Class A Member shall pay, user charges to defray the expense of providing services, facilities or benefits which may not be used equally or proportionately by all of the Class A Members or which, in the judgment of the Board or Declarant, should not be charged to every Class A Member.

4.08 Uniformity of Assessments. (cont.) Such expenses may include without limitation, fees for the use of swimming pools and other recreational facilities, if any, that may be available for use by only certain Neighborhoods, the maintenance cost of common facilities benefiting only an identified Neighborhood, other charges for use and repair of facilities located in the common area or in specific portions thereof and as a consequence of their location, serve only specifically identified Lots or Neighborhoods, and fees for such other services and facilities and repairs thereto provided to Class A Member which should not reasonably be allocated among all the Class A members' assessments. Such user charges may be billed separately to each Class A Member benefited thereby or may be added to such Class A Member's assessment as otherwise determined and collected as part thereof pursuant to provisions of this section. The determination of the Board that certain Lots are specifically benefited shall be conclusive, and the waiver of the use of such services or facilities by any Owner or Member shall not excuse such Member or owner from the payment of such user charges. Nothing herein shall require the establishment of user charges as hereinabove authorized and the board or Declarant may elect to treat all or any portion thereof as expenses to be defrayed by Class A Member assessments.

4.09 Commencement of General Assessment. The general assessment as to each Lot owned by a Owner other than the Declarant or a Builder commences on the first day of the month following the closing of the purchase of the respective Lot by the Owner from the Declarant or a Builder.

4.10 Lien for Assessment. All sums assessed to any Lot, together with interest and all costs and expenses of collection, including reasonable attorneys' fees are secured by a lien on such Lot in favor of the Association. Such lien is subject and inferior to the lien for all sums validly secured by any first mortgage encumbering such Lot. Except for liens for all sums validly secured by any such first mortgage, all other lienors acquiring liens on any Lot after this Declaration is recorded are deemed to consent that such liens are inferior to the lien established by this Section, whether or not such consent is specifically set forth in the instrument creating such lien. The recordation of this Declaration constitutes constructive notice to all subsequent purchasers and creditors, or either, of the existence of the Association's lien and its priority. The Association from time to time may record a Notice of Lien for the purpose of further evidencing the lien established by this Article, but neither the recording of, nor failure to record, any such Notice of Lien will affect the existence or priority of the Association's lien.

4.11 Certificate. Upon demand, and for a reasonable charge, the Association will furnish to any interested person a certificate signed by an officer of the Association setting forth whether the General Assessment and any Special Assessment or assessment against a specific Lot have been paid and, if not, the unpaid balance (s).

4.12 Remedies of the Association. If any installment is not paid within ten (10) days after the due date, the Board may upon notice to such Owner of such delinquency, accelerate the maturity of all remaining installments due with respect to the current assessment year, and the total amount shall commence bearing interest from the date of acceleration at the rate of eighteen percent (18%) per annum, or if such rate of interest shall exceed the legal limit then chargeable, the greatest rate of interest permitted under law.

4.12 Remedies of the Association. (cont.) The Association may bring an action at law against the Owner personally obligated to pay such assessment, or foreclose its lien against such Owner's Lot. No Owner may waive or otherwise escape liability for the association's assessments. A lawsuit to recover a money judgement for unpaid assessments may be maintained without foreclosing, waiving, or otherwise impairing the security of the association's lien, or its priority.

4.13 Foreclosure. The lien for sums assessed pursuant to this Article may be enforced by judicial foreclosure in the same manner in which mortgages on real property from time to time may be foreclosed in the State of Florida. In any such foreclosure, the Owner is required to pay all costs and expenses of foreclosure, including reasonable attorneys' fees. All such costs and expenses are secured by the lien foreclosed. The Owner also is required to pay to the association any assessments against the Lot that became due during the period of foreclosure, which assessments also are secured by the lien foreclosed. The association has the right and power to bid at the foreclosure or other legal sale to acquire the Lot foreclosed, or to acquire such Lot by deed or other proceeding in lieu of foreclosure, and thereafter to hold, convey, lease, rent, encumber, use, and otherwise deal with such Lot as its owner for purposes of resale only. If any foreclosure sale results in a deficiency, the court having jurisdiction of the foreclosure may enter a personal judgement against the Owner for such deficiency.

4.14 Subordination of Lien. Except where a notice of lien has been filed in the public records prior to the recording of a valid first mortgage the lien for the assessments provided in this Article is subordinate to the lien of any such first mortgage. Sale or transfer of any Lot does not affect the assessment lien. The Association may give any encumbrancer of record 30 days notice within which to cure such delinquency before instituting foreclosure proceedings against the Lot. Any encumbrancer holding a lien on a Lot may pay, but is not required to pay, any amounts secured by the lien established by this Article; and, upon such payment, such encumbrancer will be subrogated to all rights of the association with respect to such lien, including priority.

4.15 Homesteads. By acceptance of a deed to any Lot, each Owner is deemed to acknowledge conclusively and consent that all assessments established pursuant to this Article are for the improvement and maintenance of any homestead thereon and that the Association's lien has priority over any such homestead.

4.16 Reserve Fund. The Association shall maintain a Reserve Fund to be used solely for making expenditures in connection with the repair, replacement and maintenance of the Common Facilities (the "Reserve Fund"). The Board shall determine the appropriate level of the Reserve fund based on a periodic review of the useful life of the Common facilities, including but not limited to, roadways or other paved areas, as well as periodic projections of the cost of anticipated major repairs or improvements to the Common facilities. Each budget shall disclose that percentage of the General Assessment which shall be added to the Reserve Fund and each Owner shall be deemed to make a contribution to the Association equal to such percentage multiplied by each installment of the General assessment paid by such Owner.

4.17 Funding of Association. Upon the closing of any Lot to purchaser for value, excluding any approved builder, the purchasing owner shall make a funding contribution to the Association in an amount equal to two (2) months of the annual assessment at the rate in effect with respect to the Lot as of the closing, said amount shall be held and used by the Association for its working capital needs. This contribution shall not be refundable or be applied as a credit against the owners' monthly assessment. (As amended, First Amendment March 8, 1990, Third Amendment January 15, 1991, Fourth Amendment November 8th, 1991)

4.18 Master Association Assessments. Pursuant to Paragraph 4.09 of the Master Association Declaration, every Owner, upon acceptance of a deed of conveyance for a Lot, covenants to pay assessments to the Master Association. At the option of the Board of directors of the Master Association, such assessments shall either be paid by each Owner directly to the Master Association or shall be collected from each Owner by the Association as part of its own General Assessment.

ARTICLE V

ANNEXATION OF ADDITIONAL PREMISES

5.01 Annexation. Declarant may, at its sole discretion, from time to time elect to bring within the jurisdiction of this Declaration additional land (whether or not owned by it) contiguous to the Premises; provided, however, that the addition of such land must be consistent with the functions of the Association. Declarant is not obligated in any manner by this Declaration to annex additional property to the Premises or to annex any particular tract, or to annex tracts in any particular sequence, or to annex contiguous tracts, it being the intention hereof that Declarant may decline to exercise the rights granted in this Paragraph 5.01 or may elect to exercise such rights only to a limited extent.

5.02 Declarations of Inclusion. The additions authorized by the provisions of this Article V shall be made by recording in the Public Records of Hernando county, Florida, a declaration ("Declaration of Inclusion") with respect to the additional property, which shall extend the jurisdiction of this Declaration to the property to be so annexed (hereinafter sometimes referred to as the "Additional Premises") and shall be executed by the fee title holder(s) of such additional property, as well as Declarant. Any Declaration of Inclusion may contain such complementary additions and modifications of the covenants and restrictions contained in this Declaration as are not inconsistent with the intent and purpose of this Declaration. At such time as the declarant causes the recording of a Declaration of Inclusion, then, in such event:

(a) The provisions of the Declaration applicable to the Common Area located on the Additional Premises, and the rights of Declarant with respect thereto, and all other rights, easements, covenants, restrictions, burdens, uses and privileges appurtenant to the Common Area shall include and apply to the Common area as extended by such annexation.

(b) Every person or entity who shall become an Owner subject to assessment under Paragraph 4.01 hereof located in such Additional Premises, shall be and become a Class A Member of the Association on the same terms and conditions, and subject to the same qualifications and limitations, as those Class A Members who are then Owners located on the Premises.

5.02 Declaration of Inclusion. (cont.)

(c) Declarant shall have and enjoy in such Additional Premises all easements and exercise all rights, privileges and immunities reserved to it in this Declaration in the same manner and with all same force and effect as though the term "Premises" as used in this Declaration included such Additional Premises.

(d) In all other respects, all the provisions of this declaration shall include and apply to such Additional Premises and to the Owners located therein and thereon and to any Commonly-Administered Property established on such Additional Premises in the same manner and with the same force and effect as though such Additional Premises had been subjected to the provisions of this Declaration.

5.03 Annexations Relating From Mergers. Upon a merger or consolidation of the Association with another association, its properties, rights and obligations shall, by operation of law, become those of the surviving or consolidated association. The surviving or consolidated association may administer the covenants and restrictions established by this Declaration within the Premises, together with the covenants and restrictions established upon any other properties as one scheme.

5.04 Power to Amend. Declarant hereby retains the right and power to record a supplemental declaration (which may be a Declaration of Inclusion) at any time and from time to time, which amends or supplements **Exhibit B** which document shall be executed by the fee title holders of such Additional Premises, as well as Declarant, and contain such complementary additions and modifications of the covenants and restrictions contained in this Declaration as are not inconsistent with the intent and purpose of this Declaration. **Exhibit B** may only be amended or supplemented pursuant to this Article and shall not be amended to reduce or remove any real estate which is described in **Exhibit B** immediately prior to the recording of such supplemental declaration.

ARTICLE VI

6.01 General Powers of the Board. (cont.)

(j)(cont.) (i)(cont.) 6.02 Special Powers of the Board. (cont.)

(d) To acquire, by gift, transfer, purchase, exchange or otherwise additional property and to make such property subject to the provisions of this Declaration by executing and recording an amendment hereto. 6.04 Performance of Board's Duties by Declarant pending Conveyance. Without limiting the generality of the provisions of Article VII hereof, until such time as Declarant has conveyed to the Association all the Common Area within the existing Premises (and thereafter as additional Common Area may be added hereunder by Declarant and not conveyed to the Association), Declarant may, at its election, discharge all or any of the duties and exercise the rights and privileges of the Board with respect to the Common Area, in which event the Board shall reimburse Declarant for all costs and expenses from which the Association has been thereby relieved, and shall levy assessments required to make such reimbursement. The Association shall rely on a certificate executed and delivered by Declarant with respect to all reimbursements claimed under this Paragraph 6.04. (As Amended Fourth Amendment November 8th, 1991)

ARTICLE VII

7.01 Declarant's Promotional Rights. The right is reserved to Declarant, or its agents or designees, to place and maintain on the Premises all models, sales offices, advertising signs and banners and lighting in connection therewith, and other promotional facilities at such locations, during such hours and in such forms as shall be determined by Declarant. Said rights of Declarant shall continue for the longer of (a) the termination of the Class B Membership, or (b) a period of twenty (20) years after the date of recording of this Declaration unless Declarant, by written notice to the Association, elects to terminate such rights prior to such date. All rights and easements created by this declaration are subject and subordinate to the aforescribed rights of Declarant, whether or not inconvenience to any Owner shall result therefrom.

7.05 Right of Declarant to Make Dedications and to Grant Utility Easements. As used in this Paragraph 7.05, the term "Utilities" means all public and private utility conduits, wires, pipes, cables and other lines and all associated facilities and equipment, which serve or may in the future serve the all or a portion of the Premises, including, without limitation, those for the transmission and/or distribution of water (domestic and fire), electricity, gas, telephone, sewage, effluent, and storm water.

7.05 (cont.) Said term also includes all standpipes, hydrants, pumps equipment vaults and other structures and facilities for the provision of fire protection services.

Until Declarant's rights under Paragraph 7.03 hereof are terminated, Declarant shall have the right to tap all Utilities for the purpose of exercising all such rights. All the rights reserved pursuant to this Paragraph 7.05 may, upon conveyance or transfer of the Common Area by Declarant to the Association, be exercised by the Association or by Declarant acting on behalf of the Association. (As Amended Fourth Amendment November 8th, 1991)

7.06 Construction of Premises. In connection with the construction of improvements to any part of the Premises, Declarant, its agents and contractors, shall have the right, at its own expense, (but shall not be obligated) to make such alterations, additions or improvements to any part of the Premises including, without limitation, the construction, reconstruction or alteration of any temporary or permanent improvements on the Common Area which Declarant deems, in its sole discretion, to be necessary or advisable, and the landscaping, sodding or planting and replanting of any unimproved portions of the Premises. The association shall not be relieved of any of its obligations under this Declaration by reason of retention of title by Declarant to all or any portion of the Common Area, including, without limitation, the obligation to pay all assessments levied with respect to the Common area as provided in Paragraph 6.01 of this Declaration, and including further, the obligation to maintain, repair and reconstruct the Common Area and to defray the cost thereof by assessments.

Title to the Common Area may be subject to all general and special title exceptions excluded from the coverage of any owner's title insurance policy covering the Common Area which Declarant shall deliver to the Association in connection with such conveyance. If the Common Area shall be held in a title-holding trust, Declarant may assign to the Association the beneficial interest in such trust in lieu of causing the trustee to convey the same by trustee's deed. The Common Area shall be conveyed or assigned without any express or implied warranties, which warranties are expressly disclaimed by Declarant.

7.09 General. Notwithstanding any provision herein to the contrary, the rights and easements created under this Declaration are subject to the right of Declarant to execute all documents and do all other acts and things affecting the Premises which, in the Declarant's opinion, are required to implement Declarant's reserved rights hereunder (including the making of any dedications to public use), provided any such document or act or thing is not inconsistent with the then existing property rights of any Owner.

ARTICLE VIII ARCHITECTURAL CONTROL COMMITTEE

No improvements (as hereinafter defined) shall be commenced, erected or maintained upon any Lot, nor shall any exterior change or alteration be made to any Improvement (except such as may be installed or approved by Declarant), unless and until written plans and specifications therefor have been submitted to and approved in writing by the Board or by an Architectural Control Committee ("Architectural Control Committee") composed of three (3) or more representatives appointed by the Board which plans and specifications shall be in sufficient detail to show the nature, kind, shape, height, materials, color and location of the same. In the event the Board (or the Architectural Control Committee, as the case may be) fails to approve or disapprove in writing such design, color and location within thirty (30) days after said plans and specifications have been submitted, approval shall be deemed given and this Article will be deemed to have been fully complied with. As used herein the term "improvements" shall mean and include buildings (both the main portion and all projections or extensions thereof), canopies, parking areas, fences, walls, gazebos, screened enclosures, hedges, trees, mass planting and other landscaping, free-standing mailboxes, and wells and any related pipes, conduits and pumping facilities. 8.0 Building Exteriors, Lot Maintenance. Each Owner shall be required, at its sole cost and expense, to maintain and keep the Lot and any and all improvements thereon in good condition and repair. If an Owner shall fail to maintain or repair the exterior of any improvement thereon, the association, in addition to all other remedies available to it hereunder or by law and without waiving any of said alternative remedies shall have the right, after ten (10) days written notice to the Owner through its agents and employees, to enter upon the property of said Owner without being guilty of trespass and to repair, maintain and restore any Improvements thereon and to provide Lot cleanup as deemed necessary by the Board to bring such Lot into compliance with the restrictions and requirements of this Declaration. Any sums so spent by the Association shall, on demand, be immediately due and payable to the Association by the defaulting Owner, and the association shall have the same remedies to enforce collection of such sums as for other unpaid assessments hereunder.

ARTICLE IX

USE AND OCCUPANCY RESTRICTIONS

9.01 General Restrictions.

(a) Except as provided in Article VII hereof, no owner shall conduct, maintain or permit any industry, business, trade, occupation or profession of any kind on any part of the Common Area or on any Lot. The activities of Declarant or its designees in connection with the sale of any part or all of the Premises or the construction of improvements thereon and the activities of any managing agent performed pursuant to a management contract between such managing agent and the association shall not be subject to this Article. Declarant's aforesaid reserved rights shall exist at any time Declarant is engaged in the sale or leasing of Lots or construction of Dwelling Units on any portion of the Premises.

No inflammable, combustible or explosive fluid or chemical substance shall be kept on any Lot except such as are required for normal household use and same shall be kept within the Dwelling Unit constructed on said Lot. 9.03 Lot Restrictions. (cont.)

(c) No structure of a temporary character, trailer, tent shack, garage, barn or other outbuilding shall be used on any Lot at any time as residence either temporarily or permanently except that the Declarant may place any type of temporary structure on any Lot at any time to aid in its construction and/or sales activities. Further, no shed, detached garage or other detached structure shall be placed or constructed on any Lot without the written consent of the Architectural Control Committee.

(d) No Lot shall be used or maintained as a dumping ground for rubbish, nor shall weeds and cuttings be allowed to accumulate on the Lot. **FIRST AMENDMENT TO DECLARATION OF COVENANTS,
CONDITIONS, RESTRICTIONS AND EASEMENTS FOR
THE VILLAGES OF GLENLAKES**

THE FIRST AMENDMENT TO DECLARATION OF COVENANTS, CONDITIONS RESTRICTIONS AND EASEMENTS FOR THE VILLAGES OF GLENLAKES ("First Amendment") is made this 8th day of March, 1990, to that certain Declaration of Covenants, Conditions, Restrictions and Easements for The Villages of GlenLakes (the "Declaration") recorded September 25, 1989, in O. R. Book 751, Pages 1074-1095 of the Public Records of Hernando County, Florida.

WHEREAS, the Declaration was recorded by The Glen Lakes Partnership ("Declarant") as aforesaid; and

WHEREAS, the Declaration contains certain errors and omissions, particularly with respect to the correct description of land to be governed by the Declaration and the correct name of the Association that will administer the terms of the Declaration;

WHEREAS, the Declarant wishes to record this Amendment for the purpose of correcting such errors and omissions; and

WHEREAS, pursuant to Section 10.02 of the Declaration, the Declarant may amend the Declaration without approval or joinder of any other party at any time prior to the termination of the Declarant's Class B Membership; and

WHEREAS, Declarant has not terminated its Class B Membership and is therefore empowered to make this Amendment.

NOW, THEREFORE, the Declarant hereby amends the Declaration as follows:

1. The fifth paragraph of the Recitals on page 1 of the Declaration is amended to read as follows:

WHEREAS, in order to provide for the necessary, orderly and proper administration and maintenance of the Common Area and Common Facilities, and for the preservation and enhancement of the Premises, Declarant (i) has formed The Village of GlenLakes Homeowners Association, Inc. as a not-for-profit corporation under the laws of the State of Florida to which the responsibility of administering and maintaining the Common Area and Common Facilities will be delegated and assigned; and (ii) by execution of this Declaration, has caused the Premises to be subjected to the provisions of this Declaration.

2. Paragraph 1.02 of the Declaration is amended by deleting it in its entirety, and inserting the following in its place:

1.02 Association. The Villages of GlenLakes Homeowners Association, Inc., a Florida corporation not-for-profit, and its successors and assigns.

3. Paragraph 1.05 of the Declaration is amended by deleting it in its entirety and substituting the following in its place:

1.05 By-Laws. The By-Laws of the Association.

4. Paragraph 1.12 of the Declaration is amended by deleting it in its entirety and substituting the following in its place:

1.12 Lot. Any numbered or separately identified subdivision of the Premises identified as a Lot on a subdivision plat of the Premises. The term Lot shall, where appropriate, include any Dwelling Unit constructed thereon. For the purposes of determining membership in and assessments by the Association, notwithstanding that a single Dwelling Unit is constructed on two (2) or more Lots, each Lot shall nevertheless be considered a separate Lot and assessed accordingly.

5. Article 1 of the declaration shall be amended by adding thereto the following Paragraph 1.19.

1.19 Neighborhood. A group of lots sharing a common characteristic and identified by the Board as a Neighborhood. By way of example only, a common characteristic could mean that all such Lots in a Neighborhood are part of a separate platted subdivision, or that the configuration of streets within the Premises effectively create a discrete Neighborhood.

6. Paragraph 4.01(b) of the Declaration is amended by deleting therefrom the word "Specific" and substituting therefor the word "Special".

7. Paragraph 4.01 is amended by adding the following subparagraph (e) thereto:

(e) User charges assessed against particular Neighborhoods that are established pursuant to Section 4.08 of this article.

8. Paragraph 4.08 is amended by deleting it in its entirety and substituting the following in its place:

4.08 Uniformity of Assessments. The General Assessment and any Special Assessment must be uniform for each Lot throughout the Premises; provided, however, the Association, through its Board may establish, and each affected Class A Member shall pay, user charges to defray the expense of providing services, facilities or benefits which may not be used equally or proportionately by all of the Class a Members or which, in the judgment of the Board or Declarant, should not be charged to every Class a member. Such expenses may include, without limitation, fees for the use of swimming pools and other recreational facilities, if any, that may be available for use by only certain Neighborhoods, the maintenance cost of common facilities benefiting only an identified Neighborhood, other charges for use and repair of facilities located in the common area or in specific portions thereof and as a consequence of their location, serve only specifically identified Lots or Neighborhoods, and fees for such other services and facilities and repairs thereto provided to Class a Member which should not reasonably be allocated among all the Class A Members' assessments. Such user charges may be billed separately to each Class A Member benefited thereby or may be added to such Class A Members assessment as otherwise determined and collected as part thereof pursuant to provisions of this section. The determination of the Board that certain Lots are specifically benefited shall be conclusive, and the waiver of the use of such services or facilities by any Owner or member shall not excuse such Member or Owner from the payment of such user charges. Nothing herein shall require the establishment of user charges as hereinabove authorized, and the Board or Declarant may elect to treat all or any portion thereof as expenses to be defrayed by Class A Member assessments.

9. Paragraph 4.17 of the Declaration is amended by deleting the second sentence thereof in its entirety and substituting the following in its place:

This sum shall be used and applied for start-up costs and as a working reserve fund in connection with all initial operating expenses for the Association.

10. Paragraph 8.01 of the Declaration is amended by inserting the following immediately before the last sentence thereof:

To standardize procedures for submission of plans and specifications and related information and documentation and the giving of notice, the Architectural Control Committee may implement rules and procedures. In connection therewith, the Architectural Control Committee shall have the right to charge a reasonable fee for reviewing each application for approval of plans and specifications.

11. Paragraph 8.02 of the Declaration is amended by deleting therefrom the second sentence thereof and substituting the following in its place:

If any Owner shall fail to maintain or repair the exterior of any Improvement thereon, the Association, in addition to all other remedies available to it hereunder or by law and without waiving any of said alternative remedies, shall have the right, after ten (10) days written notice to the Owner, through its agents and employees, to enter upon the property of said Owner without being guilty of trespass and to repair, maintain and restore any Improvements thereon and to provide Lot cleanup as deemed necessary by the Board to bring such Lot into compliance with the restrictions and requirements of this Declaration.

12. Paragraph 9.03(m) of the Declaration is amended by deleting it in its entirety and substituting the following in its place:

"Neither fences nor clotheslines shall be permitted within the Premises."

13. Paragraph 9.03(r) of the Declaration is amended by deleting it in its entirety and substituting the following in its place:

(r) Set-backs and square footage for Dwelling Units constructed within the Premises shall be determined by Declarant but in any event shall, at a minimum, conform to current applicable building codes and ordinances.

14. Paragraph 9.03 of the Declaration is amended by adding thereto the following subparagraph (u):

(u) All swimming pools shall be enclosed by a screened enclosure or other enclosure approved by the Architectural Control Committee.

15. Exhibit "A" to the Declaration is amended by deleting said Exhibit and substituting therefor the Exhibit "A" attached hereto so as to correctly describe the land to be governed by the Declaration. The effect of such amendment shall be to release from the governance of the Declaration all property described in the deleted Exhibit "A" that is not included in the substituted Exhibit "A."

16. The Declaration is amended by incorporating therein Exhibit "B" attached hereto and made a part hereof.

17. The Consent of Mortgagee attached to the declaration is hereby amended by deleting therefrom the reference to "Declaration of Covenants, Conditions, Restrictions and Easements for GlenLakes Association, Inc." and substituting therefor Declaration of Covenants, Conditions, Restrictions and Easements for The Villages of GlenLakes" so as to properly reflect the name of the Declaration.

ARTICLE II

Definitions

Unless the context expressly requires otherwise, capitalized terms used herein shall have the meanings set forth in the Declaration of Covenants, Conditions, Restrictions and Easements for The Villages of GlenLakes, recorded in the Public Records of Hernando County, Florida (the "Declaration").

ARTICLE III

Purposes

This Association does not contemplate pecuniary gain or profit to the Members thereof, and no distribution of income to its Members, directors or officers shall be made, except that nothing herein shall prevent the Association from compensating persons who may be Members, directors or officers in exchange for services actually rendered to, or costs actually incurred for the benefit of, the Association in furtherance of one or more of its purposes. The general purpose of this Association is to promote the common interests of the Owners (as hereinafter defined) of the property described in the Declaration (the "Premises"), and the specific purpose is to perform the functions of the property owners' association contemplated in the Declaration, as the same may in the future be amended, which purposes shall include but not be limited to:

(a) Exercise all of the powers and privileges and to perform all of the duties and obligations of the Association as set forth in the Declaration;

(b) Fix, levy, collect and enforce payment by any lawful means, all charges or assessments pursuant to the terms of the Declaration; to pay all expenses in connection therewith and all office and other expenses incident to the conduct of the business of the Association;

(d) Have and exercise any and all other powers, rights and privileges of a not-for-profit corporation organized under the law of the State of Florida.

ARTICLE IV

Membership and Voting Rights

A. Eligibility. Every person, whether an individual, corporation or other entity, who is the record owner (the "Owner") of a Lot that is subject to assessment pursuant to the Declaration shall become a member of the Association upon the recording of the instrument of conveyance. If title to a Lot is held by more than one person, each such person shall be a member. An Owner of more than one Lot is entitled to membership for each Lot owned. Except for the Declarant, no person other than an Owner may be a member of the Association, and a membership in the Association may not be transferred except by the transfer of title to a Lot; provided, however, the foregoing does not prohibit the assignment of membership and voting rights by an Owner who is a contract seller to such Owner's vendee in possession.

If the Lot ownership of a Lot shall be in more than one person, or if an Owner of a Lot is a trustee, corporation, partnership or other legal entity, then the individual who shall enjoy the Membership vote attributable to the Lot and be responsible for the obligations attributable thereto shall be designated by such Owner or Owners in writing to the Association at the time the Lot becomes subject to assessment by the Association. Such designation may be changed from time to time thereafter by notice in writing to the Association.

B. Classes of Membership and Voting. The Association shall have two classes of voting membership: Class A and Class B. Class A Members shall be all persons, including Declarant, owning record title to the Lots that are subject to assessment pursuant to the Declaration. The Declarant shall be the Class B Member. All Members, Class A or Class B, shall be entitled to one (1) vote for each Lot owned, but until termination of the Class B Membership or until the right is voluntarily terminated, the Class B Member is entitled to elect the Association's Directors. There shall be no cumulative voting for Directors or any other matters by either Class A or Class B Members.

The Class B membership will terminate upon the happening of any of the following, whichever occurs first:

(a) The Declarant conveys other than to a successor Declarant all of its right, title and interest in and to all of the Lots in the Premises.

(b) The Declarant records in the Public Records of Hernando County, Florida, a termination of its Class B membership.

Upon termination of Class B membership, all provisions of the Declarations, Articles, or Bylaws referring to Class B membership will be obsolete and without further force or effect, including any provision requiring voting by classes of membership.

C. Transferability. Each membership is appurtenant to the Lot upon which it is based and is transferred automatically by conveyance of title to that Lot whether or not mention thereof is made in such conveyance of title.

ARTICLE V

Term of Existence

The Corporation shall have perpetual existence.

A. Board of Directors. The affairs of the Association shall be managed by its Board of Directors, which shall consist of no fewer than three (3) nor more than five (5) individuals. Directors shall be elected for one-year terms by the Members at a Members' meeting to be held as scheduled by the Board of Directors in the manner prescribed in the Bylaws of the Association, and shall hold office until their respective successors are duly elected and qualified. The Board shall elect a President, a Vice President, and a Secretary-Treasurer of the Association, and such other officers as may, in the opinion of the Board, from time to time be necessary to adequately administer the affairs of the Association, such officers to hold office at the pleasure of the Board or until their successors are duly elected and qualified. members of the Board. Directors appointed by Declarant need not be Members or spouses of Members. Any Directors appointed by Declarant may be removed by Declarant, with or without cause, and any vacancies occurring on the Board shall be filled by Declarant.

Prior to either of the events set forth in Article IV B, Declarant may, from time to time, by written notice to the Association, voluntarily terminate its right to appoint one or more Directors, and continue to exercise its right to appoint the remaining Directors for the period hereinabove specified. Election by Declarant to terminate its right to appoint any number of Directors or to terminate its control of the Association shall not affect the right of Declarant to participate in the Association as a Member thereof.

C. Election of Directors by Members. Upon receipt by the Association of a copy of any instrument recorded by Declarant pursuant to Article IV B hereinabove or of other appropriate evidence of the termination of Declarant's right to select any one or more of the Directors, a meeting of the Members shall be convened for the purpose of electing a new Board or to elect those Directors who are no longer to be appointed by Declarant. Notwithstanding such election, any Director theretofore appointed by Declarant who does not elect to resign may stay in office for the balance of his unexpired term and until his successor is elected and qualified.
